

The 8th Asian Perioperative Nurses Association Conference 2026

The 9th Asian Perioperative Nursing Leadership Forum 2026

“Stronger Together: Global Transformation and Innovation in Perioperative Nursing”

Friday, October 23 - Sunday, October 25, 2026

Intercontinental Hotel Bangkok

Pre-congress Leadership Forum

Friday, October 23, 2026

13.00-13.05	Open the meeting Associate Professor Dr. Benjamaporn Butsripoom RN, PhD T-CNOR President of ASIONA	
	Grand ballroom	President 1
13.05-14.30	Perioperative patient safety management tools impact surgical outcomes : group discussion from many countries Dr.Wanvimol Kongsuwan PhD T-CNOR Head of Perioperative Nursing Division Department of Nursing Siriraj Hospital Faculty of Medicine Mahidol University Thailand <i>Speaker from Hong Kong S.A.R</i> Moderator : Assist. Prof. Dr. Rattima Sirihorachai PhD T-CNOR Faculty member of Faculty of Nursing, Mahidol University Thailand	Surgical site infection control journey Hands-on workshop (for Thai people only) <i>Speaker from Thailand</i>
15.00 -16.30	Hospital visit 1. King Chulalongkorn Memorial Hospital 2. Siriraj Hospital 3. Ramathibodi Hospital 4. Med park Hospital	

08:30 –10.00	Opening ceremony & keynote address Shaping the Futur of Perioperative Nursing in Asia : From Vision to Leadership in Action Associate Professor Dr. Benjamaporn Butsripoom RN, PhD T-CNOR President of ASIORNA Kesook Yoon RN, PhD, CNOR Past President of ASIORNA			
10.00 -10:30	Leadership dynamics: navigating global changes : education and training Associate Professor Dr. Tassana Boontong President of the Thailand Nursing and Midwifery Council Thailand			
10:30 -11:00	Morning break & exhibition tour			
11.00-12.00	Global transformation in perioperative standards toward 2030 : Advancing infection prevention and surgical site outcomes Professor Philip Russo Director of Research, Nursing and Midwifery, Monash University Australia			
12:00 -13:30	Lunch & exhibition tour			
13:30–16.00	Oral presentation			
15.00-15:30	Afternoon break & exhibition tour			
15:30 -16.30	Annual meeting 2026 The Thai Perioperative Nurses Association Associate Professor Dr. Benjamaporn Butsripoom RN, PhD T-CNOR President of TPNA			
Ballroom 2	Oral presentation			
	Ballroom 1 Innovation Technology Sustainability	Ballroom 2 Leadership management Cost-effective/Sustain abilty(Green OR)/ Patient safety Quality excellence Infection control	President 1 Education and training	President 2 Patient safety Quality excellence Infection control
13.30 - 13.45	Integrating a Digital Preoperative Assessment Platform with Traditional Chinese Medicine Interventions to Enhance Perioperative Safety and Recovery in Gynecological Surgery China	The Application of Nursing Intervention Plan Based on HFMEA in Patients Undergoing Daytime Surgery for Breast China	Virtual Simulation Training System for Nursing Assistance in Robot-Assisted Surgery: A Randomized Controlled Trial China	Stronger Together: Achieving Excellence in Normothermia and Infection Control via Multidisciplinary Protocols in ERAS Patients Thailand
13.45 - 14.00	Streamlining Clinical Workflow and Boosting Operational Efficiency with an Electronic Implant Record System in	Analysis of the Chain-Mediating Effect of Resilience and Perceived	Application Research of Stepwise Dual TCM Intervention Based on Traditional Chinese	Reducing Surgical Site Infections After Colon Surgery Through a Perioperative Nursing

	Operating Theatre in Hong Kong Hong Kong S.A.R	Organizational Support on Job Crafting and Workplace Deviance Behaviors among Senior Nurses in Operating Rooms China	Medicine Emotional Theory in Perioperative Patients Undergoing Breast Reconstruction China	Quality Improvement Bundle Korea
14.00 - 14.15	Application Effect of an AI System for Surgical Safety Checklist Based on Speech Recognition and Natural Language Processing China	Noise Levels and Nurses' Perception and Response in Operating Rooms: A Descriptive Study Korea	Application of Family Participatory Pain Management Program Based on Health Behavior Interaction Model in Children Undergoing Day Surgery China	Med Safe Smoke Filter: Transforming Safety in Laparoscopic Surgery Through High-Value and Cost-Effective Innovation Thailand
14.15 - 14.30	The Effect of Preoperative Virtual Reality Hypnosis to Manage Preoperative Anxiety Before Colorectal Cancer Surgery Hong Kong S.A.R	The Effects of Operating Room Nurses' Environmental Knowledge, Attitudes, and Practices on Eco-Friendly Surgical Nursing Orientation Korea	Disaster countermeasures in the Japan periOperative Nursing Academy and future issues Japan	Full-Chain Evidence-Based Management of Post-Thirst after Day Surgery under General Anesthesia China
14.30 - 14.45	Development and Preliminary Evaluation of a Microlearning-Based Discharge Education Intervention in Perioperative Ambulatory Surgery Setting Thailand	How to Reduce Medical Supply Costs and Medical Waste in the Operating Room Korea	Navigating Cultural Transition: Professional Identity Reconstruction Among Visiting Operating Room Nurses in Beijing China	A Study on the Application of EB-PDCA-Based Continuous Quality Improvement in Reducing the Incidence of Intraoperative Hypothermia in Elderly Patients Undergoing Abdominal Surgery China
14.45 - 15.00	Factors Influencing Operating Room Nurses' Behavioral Intention to Use Emerging Technologies in Perioperative Nursing Korea	Investigation of the Duration of Wearing Elastic Stockings after Knee Joint Surgery Japan	Global Transformation and Nursing Innovation: A Meta-Analysis of PACU Nursing in Ambulatory Perioperative Care China	Beyond the Hospital Walls: Evidence Based Telehealth for Enhancing Surgical Outcome Hong Kong S.A.R
15.00 - 15.15	Efficacy and Safety of Patient-Controlled Intravenous Analgesia after Craniotomy: An	Research Progress on Cancer-Related Fatigue in Cancer	The Effect of Intraoperative Micro-Break Stretching Exercise on	Development of Innovation in Preparing Sterile Ice for Organ

	Anesthesia Nurse-Led Follow-Up Project China	Patients China	Reducing the Risk of Musculoskeletal Disorders (MSDS) in Perioperative Nurse Indonesia	Storage: From "Smart Nurse Smart Bag" to "PEERAYA-Ice Crusher" at Khon Kaen Hospital Thailand
15.15 - 15.30	Machine Learning-Based Estimation Model for Intraoperative Pressure Injury in Hypothermic Cardiopulmonary Bypass: A Prospective Cohort Study China	Analysis of the Current Status and Influencing Factors of Cancer-Related Fatigue in Patients with Pancreatic Cancer Undergoing Chemotherapy China	Training and Practice of Anesthesia Specialist Nurses in China China	Prone Tucked-Arm Support for Cervicothoracic Spine Surgery Thailand
15.30 - 15.45	Perianesthesia Nursing for Patients Undergoing Endoscopic Submucosal Dissection in the Ambulatory Setting: Reconstruction of Nursing Procedure China	Senior Safety in the Perioperative Setting Canada	Transforming Clinical Practice Through Educational Support: A Report on the Japan periOperative Nursing Academy Support for Operating Room Nurses at the Japan Heart Medical Center in Cambodia Japan	Summary of evidence for perioperative unplanned hypothermia risk assessment China
15.45 –16.00	Developing Artificial Intelligence Literacy Competencies in Perioperative Nursing: A Scoping Review Korea		Construction of a "Precision & Rapid-Proficiency" Education Model to Improve the Quality of Orthopedic Surgery Collaboration China	The Mediating Effect of Attention Control on Mindfulness and Occupational Fatigue among Operating Room Nurses: A Multi-Center Cross-Sectional Study China

18.00-22.00 Cultural Night

Sunday, October 25, 2026

08:30 - 09:30	The future of digital surgery : using AI and big data to predict surgical outcomes Prof. Dr. Yongyut Sirivatanauksorn M.D., Ph.D. Director of Siriraj Hospital Faculty of Medicine Siriraj Hospital Mahidol University Thailand
09:30 -10:30	Building with Purpose: Leadership, Mentorship, and the Future of Perioperative Nursing” David Reinhart , DNP, MBA, RN, CNOR, FAAN President of AORN USA
10:30 -11:00	Morning break & exhibition tour
11.00-12.00	Elevating global patient safety in perioperative care Dr. Piyawan Limpanyalerd M.D. Director of the Institute of Hospital Accreditation Thailand
12:00 -13:30	Lunch & exhibition tour
13:30–14.00	Sharing experience crisis management with global transformation Shigeko Mills President of Japan perioperative Nursing Association Li Guo President of the Yan’an Branch Peking University Third Hospital Past President of ASIORNA Wilawan Chomthong Director of Nursing Songklanagarind Hospital Thailand Moderator from Hong Kong S.A.R
14.00-14:30	Afternoon break & exhibition tour
14:30 -15.00	Smart operating rooms: integrating system and Robotics Prof. Mu Li , Deputy Director of the Nursing Department at Peking University First Hospital
15:00 -15:30	Closing ceremony Associate Professor Dr. Benjamaporn Butsripoom RN, PhD T-CNOR President of ASIORNA
